

General Guideline

English

Read the entire Instruction Sheet carefully before installation and operation. Keep for future reference.

Constantly refer to www.megaman.cc for a full list of precautions and updates.

It is recommended that the installation or replacement be performed by a licensed and qualified electrician.

To prevent any risk of electric shock, turn off and isolate mains supply first before replacement, installation or maintenance. Allow the luminaire to cool down. Heat-resistant gloves are mandatory when handling the luminaire.

DO NOT disassemble the luminaire and/or touch the LED chip of the light source. Doing so may cause damage or malfunction to the luminaire.

For dimmable luminaires please visit www.megaman.cc/user-guide for the list of compatible dimmers.

Recommended track for MEGAMAN® Tracklight products:

- GLOBAL brand, pro 3-circuit track for switchable tracklight
- GLOBAL brand, GLOBAL TRAC® Control Track for dimmable tracklight. Dimming scene setting is available when applying 1-10V dimmable track adaptor and GLOBAL TRAC® Control Track.

General Guideline

English

Replace any broken protective front glass by a qualified person only.

Caution – Risk of Electric Shock!

Luminaire with:

- Non-replaceable light source: the light source of this luminaire is not replaceable; when the light source reaches its end of life the whole luminaire shall be replaced.
- Non-user replaceable light source: the light source contained in this luminaire shall only be replaced by the manufacturer or his service agent or a similar qualified person.

For luminaires with type X, Y or Z cords:

- For type X attachments having a specially prepared cord: if the external flexible cable or cord of this luminaire is damaged, it shall be replaced by a special cord or cord exclusively available from the manufacturer or his service agent.
- For type Y attachments: if the external flexible cable or cord of this luminaire is damaged, it shall be exclusively replaced by the manufacturer or his service agent or a similar qualified person in order to avoid a hazard.
- For type Z attachments: the external flexible cable or cord of this luminaire cannot be replaced; if the cord is damaged, the luminaire shall be destroyed.

The manufacturer accepts no liability for any damage resulting from the misuse and modifying of the luminaire.

Consult your dealer if you have any enquiries.
